campus.](#)

**Warren Auditorium (room 116)** is in **Mother Rosalie Hill Hall** located on the northwest corner of campus, at the top of the hill after entering campus via the west entrance. A [campus tram stop](#) is located directly across from Hill Hall, please see map for more details.

## From the airport

The University of San Diego is located 6 miles northeast of the San Diego International Airport ([Please click here for directions by Google Maps](#)). USD & the hotels listed below are a short ride from the San Diego Airport, and many of the hotels offer shuttle service to and from the airport. The university offers free shuttle service to and from campus from the Old Town Trolley Station (roughly .25 miles from the Old Town hotels).

## Parking

There is no fee for guest parking on USD campus. Please obtain a visitor's permit from the guard at the West Entrance Welcome Kiosk and park in the West Parking Structure (#2 on campus map). Take the West campus loop tram to the main area of campus. This tram stops at the top of the hill, across the street from Mother Rosalie Hill Hall (Tram stops are denoted on the printable campus map).

## Taxi

Taxis are able to drop you off at Hill Hall. When entering campus, inform the guard you are coming to Hill Hall and you will be directed to the building.

## University Shuttle

USD provides a free shuttle from Old Town San Diego that drops you off at the West Parking Structure. You will then board the Full Loop campus tram up to the main area of campus. (Note—it's only about 1/4 mile at most from the parking structure to Hill Hall; however there is a steep hill between the structure and Hill Hall, which is a big draw for the shuttle).

Please contact Sergio Rodriguez for special parking considerations ([srodriguez@san Diego.edu](mailto:srodriguez@san Diego.edu)).
